Diana Morande
Development Associate

Diana Morande joined Morton Plant the Mease Health Care Foundation team in 2017. Her role as Development Associate involves the cultivation of the Chairman's societies and their special events.

Diana graduated from Saint Leo University with a Bachelor's degree in Communication Management and a Master's degree in Business Administration. She is an alumna of Alpha Sigma Tau Sorority. Diana completed her college internship at Walt Disney's Grand Floridian Resort and Spa as a VIP Concierge. Diana also worked as the Assistant Director of Alumni Programs and Chapters at Saint Leo University and Field Marketing Specialist with Toys "R" Us Inc.

She is the Vice Chair of the Saint Leo University Tampa Bay Alumni Chapter where she enjoys volunteer activities with fellow Saint Leo alumni. Diana is also a part of Clearwater Young Professionals Group.

Diana enjoys spending her free time with her husband, Pug called Peaches, and taking frequent trips to Disney with her family.
